

Children's Miracle Network Hospitals at CoxHealth provides medical, financial and educational assistance to children and their families throughout their southwest Missouri and northwest Arkansas 32 county service area. Because they are the sponsoring hospital, CoxHealth underwrites all administrative and office expenses. This means 100% of net tournament proceeds goes directly to helping children with the medical care they so desperately need. For more information, or to donate to Children's Miracle Network Hospitals, visit coxhealthcmn.com.
