

WELCOME TO  COXHEALTH

EMPLOYEE GIVING PROGRAM

serving the medically underserved

What can \$5 per pay period do?

Thanks to Employee Giving, patients like these have been assisted with medical expenses they could not afford or insurance would not cover.

Through our CoxHealth charitable organizations, your generosity provides hope, health and healing to vulnerable patients that need medical treatment and encouragement.

 **Children's Miracle Network Hospitals®**

 **COXHEALTH FOUNDATION**

25
YEARS

Greyson

His family was financially assisted with a 16-day NICU stay after his birth, hearing aids, and a ComPilot which is a listening device used with hearing aids.

Everleigh

Her family was funded the entire cost of a cranial remolding helmet due to Plagiocephaly Syndrome, a condition where a baby's head is misshapen.

Andy and Weston

Their family was financially assisted during the twins NICU stay when the boys were delivered 5 weeks early in Respiratory Distress.

Kym M.

After suffering cardiac arrest and days in the ICU, she was assisted with medical bills.

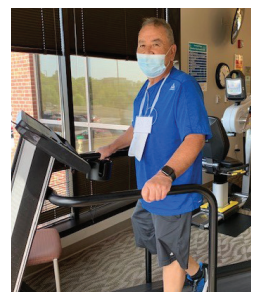

Kamala B.

After an unexpected cancer diagnoses, she was assisted with her medical bills and is on the road to healing.

Bill D.

Bill was approved for Cardiac Rehab visits to keep his heart healthy and avoid any future hospitalizations.
